

Success through STEM

A series of regional career awareness events open to Teachers of Science, Technology and Engineering and Careers Teachers and Advisers

The Vision for STEM in Northern Ireland

Empowering future generations through science, technology, engineering and mathematics to grow a dynamic, innovative economy.

Who should attend?

- Teachers and Lecturers of Science, Technology and Engineering
- Careers Teachers in post-primary education
- Careers Advisers in Further Education colleges and the Northern Ireland Careers Service

All delegates will have the opportunity to:

- Visit local engineering and technology businesses to see first hand the opportunities that are open to learners
- Engage with experts in the field of Engineering and Technology
- Listen to experiences of company employees
- Gain an understanding of skills, qualifications and pathways towards a STEM career
- Increase knowledge of career routes, job roles and salary bands
- Influence the STEM curriculum in the classroom

For more details: Contact Maggie Robinson, LSDA NI Development Adviser,
Tel: 028 9044 7709 or mrobinson@lsda.org.uk
